Projects

- Covid Relief - Looking at food pantry rates and how long the emergency food bank will be needed. We'll look at what should be done with any remaining funds. We're good on availability of cloth masks thanks to our volunteers.
- Welcome Pack - We'll look at refocusing on this as things settle.
- Signage - on hold at the moment. Most of the contacts are not available at the moment.
- IP150 - No new updates. Still on track.
- Garden - Wendy Shattuck is taking charge of it.
- United Fund - We didn't perform the spring fundraising due to Covid-19 and other efforts needing the opportunity to fundraise more - such as the emergency food pantry. We still need to do a funding drive. Tonya will write up ideas.
- 220 Main St - Working on finishing it up. Need to solidify a plan for use, rates, etc.
- Farmers Market - Idea came back up on Facebook. If there is a volunteer who really wants to take charge of it, we have relevant materials we can provide them to get started.
- Drive In - Looking for a screen. Will be ordering an FM transmitter when they become available. We'll need to find a good spot to have it. Tonya will contact booking agents to find out current pricing.
- Fall Festival - We'll make a decision on the festival at the June meeting.
- Alain's Art Class - rescheduling. We asked the Jones Foundation for additional funds.
